Loas Appeals to U. S. for Help Against Chinese

By THE ASSOCIATED PRESS
Laos appealed to the United Nations today for troops to bolster its defense against Communist battalions knitting deep into that little Southeast Asian kingdom.

It accused Communist North Viet Nam of intervening on the side of the rebels with troops and artillery.

The Laotian delegation at the U.N. delivered the urgent appeal, addressed to U.N. Secretary General Dag Hammarskjöld, who returns Sunday from a Latin American tour.

It is questionable what the U.N. could do, or what a majority of the members of the U.N. would favor.

The lightly armed emergency force in the Middle East is the only U.N. military force in being. Its job is limited to watching the Egyptian-Israeli frontier and adjacent territory.

Any appeal first would go to the Security Council, where the Soviet Union has the power of veto. An appeal vetoed there could wind up in the General Assembly.

Laos' request that the United Nations send troops to its aid took Washington officials by surprise.

Key authorities hurried to staff meetings to determine what further action might be taken.

The tiny kingdom is already receiving more than 36 million dollars worth of U. S. aid a year, and the rate of shipment was recently stepped up. But sending in foreign troops is something else.

U. S. authorities said no official word had been given them of Laos' request.

If the U. S. should approve intervention, the volume and type of U. S. aid might change sharply. This would not necessarily mean that American forces would be involved.

U. S. forces nearest Laos are in Formosa. The Nationalist Chinese stronghold. Some air and naval units are based in the Philippines.

LONDON (AP)—Laos has appealed to the United Nations to send troops to help repel Communist attacks, the Laos Embassy said today. Britain at once announced it favored U. N. action if aggression in Laos is proved.

In its appeal, Laos accused Communist North Viet Nam of intervening on the side of the Red rebels of Laos.

A British Foreign Office spokesman told a news conference after the Laotian announcement was issued: "If aggression is established, the British government would obviously be in favor of the United Nations taking action to deal with that aggression."

The rebels launched an offensive Sunday after an bombardment from guns the Laotians said were based across the border in North Viet Nam.

The Foreign Office spokesman said the Laotian appeal was sent to U. N. Secretary General Dag Hammarskjöld Thursday.

The official expectation in London is that the appeal will first be considered by the U. N. Security Council. If Russia vetoes any proposal for U. N. military intervention the issue then probably will be placed before the General Assembly.

Bids to Be Opened for Petit Jean Lake

LITTLE ROCK (AP)—Bids will be opened next Thursday for construction of an 18-acre water supply lake in Petit Jean State Park.

The Publicity and Parks Commission announced plans for the lake yesterday. Associate Director Bryan Stearns said the new lake would permit use of the 100-acre Bailey Lake for speedboating and water skiing.

Such activity now is prohibited for health reasons and the park's water supply is drawn from Bailey Lake.

Stearns estimated the project would cost \$8,000. He said it probably would be ready for use next summer.

Petit Jean Park is atop Petit Jean Mountain near Morrilton.

\$50,000 Lot of Polio Vaccine Stolen

MONTREAL (AP)—A \$50,000 lot of Salk vaccine stolen by masked gunmen from a University of Montreal laboratory Monday has been recovered, although the lot is in Quebec's current polio outbreak.

Provincial police had run down 49 tips without result. The 20th paid off.

A raid on an unattended three-room apartment in East Montreal turned up the stolen shipment of 10,000 vials—enough for 75,000 inoculations—stored in a household refrigerator, a kitchen cupboard and cardboard boxes strewn around the living room.

This vaccine cannot be used until tested on monkeys. That takes six or eight weeks.

The raid developed Thursday from a telephone tipster believed to have been a nearby resident, who had seen cartons of vaccine being carried into the apartment by a man described as tall and about 40.

Police said the apartment was rented Monday six hours after four masked men raided a storage room at the university, overpowered the night watchman, and imprisoned him in an empty monkey cage.

The recovery came as Montreal health officials disclosed that the polio total for 1959 has reached 619 confirmed cases, including 32 dead. Physicians hoped that cooler weather would ease the problem.

702-Pound Man Dies at Camden

CAMDEN Ark. (AP)—A 702-pound youth who started to make enough money to "buy a little business and settle down" died today of pneumonia.

Eighteen-year-old Danny Hope killed himself as "the world's fattest boy."

He had been touring in a specially-built trailer showing off his 62-inch waistline for silver donations. He became ill while promoting an auto daredevil show in Camden.

He was moved to a Camden hospital from his trailer, but there were no beds large enough for him. Mattresses were arranged on the floor for his bed.

Danny had been on the road three months. He considered the exhibition offer a year before he finally accepted.

"I just want to make enough money to buy a little business and settle down," he said two weeks ago during a Little Rock stop. "I try to be a good Christian boy, but it's awfully hard."

He explained travelling kept him from his Seventh Day Adventist Church.

A birth, Danny weighed 91 pounds. He began to gain rapidly at age five and weighed 125 pounds by the time he was six.

He had been in and out of hospitals with his weight problem since he was nine years old. His weight was concentrated on a five-foot five-inch frame.

Despite his bulk, he did not have a large appetite.

"If I drank two quarts of milk, I couldn't eat anything else," he said.

His mother, Mrs. Evelyn Hope, opposed her son's touring. She had written him asking him to come home before he left Little Rock.

"They all want me back here," he said then. "It's hard to decide. I don't know what I'll do."

Now Danny Hope will be going home.

Negro Charged for Beating Officers

LITTLE ROCK (AP)—Hamilton Ford, a 30-year-old Negro, was charged with burglary and assault with intent to kill yesterday in connection with the pistol-slipping of a Little Rock policeman.

The officer, J. T. Morton, was released from the hospital yesterday. He suffered head cuts, but doctors said there was no concussion.

Morton was attacked Wednesday while trying to arrest Ford for burglary.

Ike's Tour Is Tagged 'Mission Accomplished'

By MARVIN ARROWSMITH

PARIS (AP)—President Eisenhower appears well entitled to put a "mission accomplished" tag on his tour through Western Europe to shore up a vital alliance against communism.

The climax and end of the mission came Thursday night with a joint statement by Eisenhower and French President Charles de Gaulle, dealing in general terms with their two days of talks.

They reported complete agreement on the handling of the West Berlin problem and said that a summit conference of Western leaders with Soviet Premier Nikita Khrushchev "should take place only when there is some possibility of definite accomplishment."

Perhaps the most significant development was the announcement that De Gaulle plans to make a public statement soon on the thorny Algerian problem which the two presidents discussed at length. Solving this problem of the nearly five-year-old rebellion in North Africa would improve France's relations with her allies.

The implication of Thursday night's announcement was that De Gaulle and Eisenhower may have agreed on a meeting of minds on any United States role in the Algerian situation.

Just before he left Washington Aug. 26, Eisenhower set forth as a general goal the strengthening and welding of the Western position on such issues as a summit conference, disarmament, the Berlin situation and German reunification and the bolstering of NATO.

There is no question that differences remain. But Eisenhower's camp as well as British, French and West German leaders all seem to feel that the President's visit created a new spirit of hopefulness and cooperation in Western Europe.

Eisenhower's tour began in Bonn, where he apparently convinced West German Chancellor Konrad Adenauer that the President's forthcoming talks with Khrushchev may help solve the Berlin problem and lead to a general easing of world tensions.

Since the Bonn meeting, Adenauer has shown signs of being willing to follow a more flexible policy in dealing with the Soviets.

In Britain, Eisenhower had no task of resolving any serious Anglo-American differences. There

One of the President's chief goals in London was to bring British Prime Minister Harold Macmillan around to deferring a summit meeting with Khrushchev until after Eisenhower's conference with the Soviet Premier.

The President continued to insist that the Soviet Union must display signs of good faith in her dealings with the West before he would agree to a summit conference.

The President's point of view prevailed.

From the standpoint of personal popularity, Eisenhower's sojourn was a tremendous success. Everywhere—in West Germany, Britain and France—he was wildly cheered by huge crowds.

Two Vehicles Acre Damaged in Wreck

At East Third and High Streets yesterday an auto driven by A. S. Willis of Hope smashed into the back of a pickup truck driven by C. D. Ward of Emmet, causing considerable damage.

Officers Rowe and Shirley said Ward had slowed to avoid hitting a car in process of making a left turn. The Willis vehicle, owned by the Trading Post, hit the truck, which rammed into a tree. Both vehicles were badly damaged.

Other heavy rainfall included 1.42 at Morrilton and 1.29 at Evening Shade. Texarkana had .42. Flippin .62 and Fort Smith .66. Maximum temperatures yesterday ranged from 91 at Fort Dorado to 89 at Fort Smith.

The only damage reported occurred at North Little Rock where wind knocked down a concrete block wall on a parking lot and falling tiles damaged two trucks and two automobiles.

No one was injured.

Most sections of the state had rain in the 24-hour period ended at 6:30 a. m. today. A fall of 3.25 inches was reported in the area near Clinton. Shirley reported 2.13 and Fulton 2.10.

Public Works Bill Passed With a Dare to Veto

WASHINGTON (AP)—During another veto, the House Appropriations Committee today approved a shaved-down public works appropriation bill including 67 projects objected to by President Eisenhower.

It sent to the House floor a \$1,185,140,863 bill financing river and harbor flood control and reclamation projects in almost every state after refusing to delete the 67 projects which drew a veto last week.

The House fell one vote short of overriding the veto earlier this week.

To keep the new measure in line financially with the President's budget, the committee cut every project in it by 2 1/2 per cent. It did this by a vote of 19-17.

The initial cost of the 67 projects objected to by the President was \$61,510,000. The committee cut this amount to about 50,200,000.

WASHINGTON (AP)—House leaders today abandoned plans to retaliate against members who supported a public works bill veto, and decided to send the President a stripped-down \$1,167,341,208.00 measure.

The Appropriations Committee was expected to approve the new bill for floor action next week — minus the 67 unbudgeted projects which caused President Eisenhower to veto the earlier bill.

The House sustained the veto Wednesday by a one-vote margin.

There was some talk of cutting funds for projects in districts of members who voted to sustain the veto. But the idea was dropped in the face of realities. Its backers weren't sure they could get the votes and some of them feared the campaign of retaliation might backfire on future legislation.

WASHINGTON (AP)—President Eisenhower today vetoed the second-shot \$1,050,000,000 housing bill which Congress had passed after he vetoed a more costly measure in July.

The President said in a message to the Senate that the new bill like its predecessor, goes too far.

Although some of the features of the first bill he vetoed are repeated in the new measure, and some other features partially corrected, the new bill in its most important provisions represents little improvement over the original he said.

"There is still time for the Congress to enact a sound housing bill, and I once again urge that it do so," Eisenhower said in a special message which the White House announced he signed in Paris Thursday.

Congress completed action on the second bill Aug. 27. The House passed it 233-103 and the Senate 71-29. Both of these votes were well over the two-thirds majority which would be needed to pass the bill over the veto.

But whether similar votes can be mustered on the question of overriding the veto is another matter.

Eisenhower's veto of the first housing bill a \$1,375,000,000 measure was upheld Aug. 12 when the Senate voted 55-40 to override. That vote was short of the needed two-thirds.

The President has never had a veto overridden.

Two Charged With Rape of FBI Woman

WASHINGTON (AP)—The FBI has charged two men with kidnapping and raping two young women who work for the FBI.

The Lindbergh law, the federal statute on kidnapping, was invoked Thursday against Ronald E. Garrison, 27, and Joseph L. Price 30, both of Washington. Conviction could mean the death penalty if a jury recommended it.

The FBI used the Lindbergh law because the women were abducted on a Washington street early Sunday morning and taken across a state line to a lonely road in Maryland's Montgomery County where they were raped. Garrison and Price denied they abducted or raped the women.

Both the men and the women are white.

The victims, who work as clerks in the FBI headquarters here, said the attack took place while they were returning home from a dance at a firehouse in Maryland.

Garrison and Price were arrested after agents questioned scores of people who had attended the dance. The victims then picked the men out of a lineup, the FBI said.

President to Scotland for Short Vacation

By EDDY GILMORE

TURNBERRY Scotland (AP)—President Eisenhower arrived in Scotland today for a short vacation at a Highlands castle before returning to the United States from his nine-day diplomatic mission to Western Europe.

Eisenhower flew by jet directly from France, where he held two days of talks with President Charles de Gaulle rounding out a tour that took him to Bonn, London and Paris.

He plans to spend a sporty weekend at Culzean Castle. Several fine golf courses and hunting areas are nearby. Scotland gave him a 16-room apartment in the castle as a token of respect for his leadership as Allied commander in World War II.

His bountiful third floor apartment looks out over the broad sweep of the Firth of Clyde.

A cheering crowd of 500 Scots greeted the smiling President at Prestwick Airport. He showed none of the strain of his grueling schedule.

Eisenhower said farewell to De Gaulle at Rambouillet Chateau, Paris, where he spent the night. De Gaulle bade him a "bon voyage Monsieur le President."

A helicopter flew Eisenhower from Rambouillet to Paris' Le Bourget airport, where he boarded the plane for Scotland.

Gift Coffee Honors Judy Franks, Bride-Elect

Miss Judy Franks, bride-elect of
Jim Robertson of Dallas, Tex., was
feted with a gift coffee in the Rose
Room of the Diamond 2. Hostesses
were Mrs. McRae Cox, Mrs.
Charles Cox, Mrs. Mike Kelly, and
Mrs. B. L. Rettig.
Mrs. George Wright greeted the
guests at the door. A pink floor-
cloth with a matching lace
tablecloth was centered with an
arrangement of pink mums and
white stocks. The coffee was
poured by Mrs. Hinton Davis and
Mrs. Newt Pentecost and the cold
drinks were served by Miss Judy
Keye Wright and Miss Sara Mack
Cox.

Assorted tidbits were also served
the 75 guests. Assisting in the
dining room were Miss Judy Robins,
Miss Jean Harris, and Mrs. Jimmy
Branch.
The honoree, who wore a black
cotton dress with a matching lace
bolero, was given a white carnation
corsage. She received many
lovely gifts, including a gift of
china in her chosen pattern from
the hostesses.

Mary Jane Spragins Engagement Announced

The engagement and approaching
marriage of Miss Mary Jane Spragins,
daughter of Mr. and Mrs. John
Francis Spragins of Dallas, Tex., to
Monroe Waak, Jr., son of Mr. and
Mrs. Monroe Waak, Sr. of Lubbock,
Tex., has been announced. The
bride-elect is the granddaughter of
the late Mr. and Mrs. George S.
Spragins of Hope.

The wedding will be an event of
October 2 in the Saddle Creek Me-
morial Chapel of the First Presby-
terian Church of Dallas.

Miss Spragins attended Southern
Methodist University where she
was a member of Alpha Delta Pi,
the Town Girls, the Arden Club,
and the Student Center hospitality
committee.

Her fiancé, a graduate of South-
ern Methodist University, was
president of the Pi Kappa Alpha
fraternity, there and a member
of the Student Engineers Council.
While doing graduate work at Ok-

DOROTHY DIX

Mother Borrows Time
By Lending Her Kids

Dear Dorothy Dix: There aren't
many children in our block and
when a family recently moved in
with two adorable children the
youngsters were practically
adopted by the entire neighbor-
hood. Their mother, too, has
adopted the neighbors—as baby-
sitters. She has acquired the habit
of leaving the children with us,
without previous announcement
or request, and going off for a
day of shopping, bridgeplaying or
visiting. While we like the kids,
we're beginning to realize that
we're being "taken." We'd be
glad to help out once in a while
but it has become a two-or-three-
times-a-week habit for the chil-
dren to be parked with us. There
are six of us on the block and
we are chosen by lot to baby-
sit for the day. Any suggestions?
—Ada K.

Dear Ada: The cure is simple
—being sofisticated. Tell the
mother simply but emphatically
that any one of you is willing to
take her angels by prearrange-
ment but you can't disrupt your
plans at the last minute to open
a nursery. The lady may be in
a huff for a while but the ad-
vantages of freedom will out-
weigh the indignities and she'll
bounce right back.

Dear Dorothy Dix:
Last July I wrote to you stat-
ing that I was shy, friendless, un-
attractive and completely bored
with life. I spent every day hat-
ing the world. You promptly sent
me a list of books which helped
me very much. I bought a couple
of them and spent the rest of the
summer trying to improve my-
self. During this past year at
school I took more interest in my
clothes, hair, cleanliness, friend-
liness and studies. I joined two
clubs and became active in my
church. I now have many friends

my tale, Jerry Thurman and Char-
les W. Wylie.

Kenneth Gilliam left Thursday for
Stuttgart where he will again be
a member of the faculty at the
Stuttgart High School.

Mrs. J. H. Sharpe and son Shel-
by of Ft. Worth, Texas have been
recent guests of her sister, Mrs.
Owen Nix and Mr. Nix.

Attending the Gift Show in Dal-
las this weekend are Mr. and Mrs.
E. H. Stewart.

Visiting Mrs. J. E. H. Jones and
other relatives are Mr. and Mrs.
Buddy Jones and family of White
Plains, N.Y. Mr. and Mrs. Grover
Moore and family and Mr. and
Mrs. William Thomas of Los An-
geles, Calif. Mrs. Dale Askew of
Lake Charles, La., and Mr. and
Mrs. Buddy Bowden and family
of Shreveport. They will be joined
this weekend by Mr. and Mrs.
"Son" Jones, Miss Kay Ray and
Olin Jones all of Dallas.

Freddie Hamm leaves this week-
end for Conway where she will en-
ter Hendrix College.

Going to Arkadelphia, Sunday,
to enter Onachita Baptist College
will be Harold Douglas, Winston
Duke and Roy Rowe.

1959 Hope High School graduates
who will enter Henderson State
Teachers College this weekend are
Joyce Riley, Elaine Thomason,
and Dale Wylie.

Johnson Buys Swank Home in Pulaski

JACKSONVILLE, Ark. (AP)—
Arkansas Supreme Court Justice
Jim Johnson has bought a swank
Jacksonville home whose original
builder died before it was com-
pleted.
Johnson said he paid \$35,000 for
the house, started by R. Snow

and enjoy each day more and
more. As soon as school let out
I found a job to help pay, the
summer. I also took up two ho-
bies—sewing and writing to pen-
pals. Although I still am not good
looking (and never will be)
myself and I'm very glad I came
to you with my problem. I am
now a very happy teenager and
know that everyone can feel as
wonderful as I do.—Becky

Dear Becky: Too many teen-
agers feel they are hopeless and
bored because they aren't beau-
tiful enough to be campus queens.
You prove that they can do some-
thing besides sitting home crying.
To any other girl who needs im-
proving, the list Becky refers to is
"The Teenager's Bookshelf," and
any girl can have it for a
stamped, self-addressed envelope.

Dear Dorothy Dix:
I'm engaged to a nice boy I
met a year ago. Ever since I've
known him he's worn the same
suit to parties, movies, etc. It
seems to me he could dress up
once in a while. What can I do
to get him to buy another suit?
—Marta

Dear Marta: This could be a
warning for you. Of course, the
boy may not be able to buy an-
other suit. Men's clothes are
more expensive than girl's dress-
es and money may be tight in his
family. On the other hand, he
may be the tight one. If he's too
miserly to buy his own clothes,
you'll have a hard time getting
new dresses when you're his
Mrs.

Send your problem to DORO-
THY DIX. Be sure to enclose a
stamped, self-addressed envelope,
and address her care of this

Wilson Jr., a former executive of
the Big Rock Stone and Material
Co. Wilson's father developed the
firm.

Wilson died in 1954 when the
house was about 80 per cent fin-
ished. Trustees of his estate de-
cided to complete it. The house
has been for sale since.

Johnson said he had been look-
ing for a rural home and "I saw
a bargain and took it."
The justice said he also got 30
acres of land. It is about a mile
from U.S. Highway 67 and about
two miles north of the junction of
Highways 67 East and West.

Johnson said it would take about
10 years to fix up the home, un-
occupied for about six years. The
one-story home has a porch the
full width of the house plus a
poreh-patio with a fireplace in the
rear and a guest house.

It's a better life in Arkansas today because Ideal Cement started its plant 30 years ago

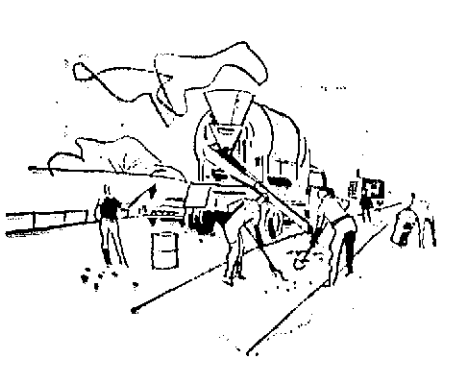

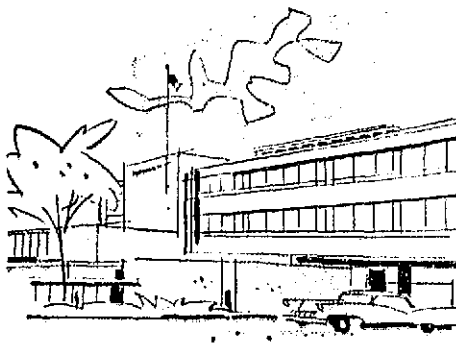

Thirty years ago Arkansas people lighted up the kiln of Ideal's new
cement plant at Okay, Arkansas. It was a big day in the state's progress
because the product of this plant—Ideal Portland Cement—is basic to
almost every kind of modern human activity.

Today, everywhere you look in Arkansas, you will see the kind of
progress Ideal Cement concrete has made possible—evidenced in fine
hospitals, good roads, excellent schools, quality public buildings, eco-
nomical and durable industrial plants, and handsome homes.

The presence of the Ideal plant at Okay has meant a continuous
payroll for Arkansas people and tax money for county and state needs.
There have been savings to the users of cement in Arkansas over these
thirty years, too, as the presence of the plant within the state has provided
Ideal Portland Cement without delay and at lower transportation costs.

Yes, Ideal Cement is proud to have a thirty-year history in Arkansas.
Over the years, the plant has been expanded and kept in tip-top shape
through a modernization program that has doubled its original capacity
to keep pace with the growth of Arkansas.

As we look forward to the future, our thanks to the people of Arkansas
for being such wonderful neighbors and friends.

Indians Have to Take Series With Chicago

By ED WILKS
Associated Press Sports Writer

Cleveland either takes two of three in that last-chance series opening at Chicago tonight against the first-place White Sox, or they're nothing but a bunch of dead Indians in the American League pennant race.

It's as simple—or as tough—as that.

A sweep would jump the White Sox 2½ games out from—enough to virtually lock up their first pennant in 40 years with 15 games to play. At the moment, their magic number is 18—any combination of Chicago victories and Cleveland losses totaling 18 gives it to the White Sox.

Neither the White Sox, who named Early Wynn (7-0) to pitch tonight nor the Indians, who picked rookie Jim Perry (10-0) played Thursday. In the only AL games scheduled, Baltimore beat Boston 5-4 on Bob Niemann's two home runs and the Yankees whipped Washington 9-2 behind Art Ditmar who had a no-hitter until Roy Sievers homered with two out in the seventh. The Nats finished with four hits.

In the National League, San Francisco came from behind for an 8-5 victory over the Chicago Cubs.

The second-place Los Angeles Dodgers were knocked off by St. Louis 5-3.

Wynn the old man with the young arm has beaten the Indians eight times out of nine since they traded him to the White Sox two years ago.

Perry, a fast-balling right-hander lost his only decision with Chicago in a duel won 2-0 by Dick Donovan last Saturday.

The Sox have taken 13 of the 16 games played between the two contenders this season. After the Chicago series they'll meet for one more game—Cleveland September 22.

Porkers Tune Up for First Scrimmage

FAYETTEVILLE, Ark. (AP)—Arkansas University's Razorbacks tune up today for their first game condition scrimmage of the young practice season. It comes tomorrow in Razorback Stadium as part of the school's annual Press Day.

Broyles was far from pleased with yesterday's afternoon session.

Both Bressoud and Mays drove in three runs for the Giants over the Cubs had chased 18-game winner Johnny Antonelli with three runs in the third for a 4-0 lead. Bressoud homered in a two-run third and tied it with a two-run single in the fourth. McCovey then broke it up with his 10th homer in the fifth loss, losing reliever Dave Hillman (5-10). Mays added his 25th homer with a mun on in the sixth.

Stu Miller (8-7) won it.

"It was terrible," he said. "But I guess it should have been that way. It was the sixth session we've had and we haven't let up from the start."

They're going to learn to play with more recklessness when they're fresh."

Injuries yesterday included guard Gerald Gardner who suffered a muscle spasm and miss the afternoon workout. He may be back today. Halfback Bruce Ful-

Kennel Club Back Before Commission

LITTLE ROCK (AP)—The Hot Springs Kennel Club goes before the Arkansas Racing Commission today seeking restoration of its temporary greyhound racing franchise.

The commission recently revoked the franchise. It said the club had failed to resolve a stockholders' dispute over operations. Club officials said later the wrangle had been settled.

Cardinals Club Dodgers; Giants Defeat the Cubs

By ED WILKS
Associated Press Sports Writer

If somebody's second-guessing Don Drysdale these days it isn't the hitters. They've nailed him and he doubt about it.

It was Drysdale who paced Los Angeles' climb into the National League pennant fight winning 16 of 11 over two months and pitching the Dodgers within half a game of first place when he won his seventh in a row Aug. 2.

But the big right-hander hasn't won since—and he's been lagged through that losing span. He had his first 208 innings while breezing to a 15-6 record.

The St. Louis Cardinals clubbing back when big guy Joe Cunningham was plunked with a pitch after hitting a homer belted Drysdale for his fifth straight defeat 5-3 Thursday night. The second-place Dodgers fell 2½ games behind San Francisco.

The Giants came from behind for an 8-5 victory over the Chicago Cubs on home runs by Ed Bressoud and the Willie-McCovey game scheduled in the NL.

In the American League New York beat Washington 9-2 and Baltimore defeated Boston 5-4 in the only games scheduled.

Drysdale who popped off re-touched off a brawl when he sid-lined Cunningham perhaps for several days with a badly bruised forearm. Jersey Joe hitting .350 and challenging Milwaukee's Hank Aaron (.358) for the bat 14-10 hit a first-inning home run off Drysdale then took a pitch on the right arm when he came up again in the third.

Players from both benches stormed the mound as plate umpire Stan Landes advanced on close pitches.

When things quieted down Drysdale didn't. He walked Bill Whit; then was chased by Ken Boyer's three-run homer that gave the Cards a 4-2 lead.

Bob Miller (3-2) a right handed rookie was the winner. He gave up two runs in the first but then blanked the Dodgers on three hits until John Roseboro homered in the ninth.

Both Bressoud and Mays drove in three runs for the Giants over the Cubs had chased 18-game winner Johnny Antonelli with three runs in the third for a 4-0 lead. Bressoud homered in a two-run third and tied it with a two-run single in the fourth. McCovey then broke it up with his 10th homer in the fifth loss, losing reliever Dave Hillman (5-10). Arkansas High School Football Play to Start

By THE ASSOCIATED PRESS

Arkansas' high school football season opens tonight with about one-third of the state's teams seeing action.

Most of the combatants in 23 games and three jamborees will be from Classes A and B. Only two big nine teams—Hot Springs and Texarkana—will see action.

Saturday night local football fans will get an opportunity to see the Bobcats in action for the first time this season. A full game will be played between members of the squad. Funds derived from the game will go to pay for insurance on the players. The admission is only 21 and 50 cents.

Hot Springs faces the tough Do Queen Leopards in Hot Springs. Texarkana journeys across the state for a bout with Class AA Crosscut.

The jamborees are being tried for the first time in Arkansas. They consist of several teams meeting at the same site and pairing off for brief game-like scrimmages.

Jamborees will be held tonight at Stuttgart Harrisburg and Newport. Saturday action tonight.

Eisenhower Announces Foreign Policy

JAMES MARLOW
Press News Analyst

WASHINGTON (AP)—President Eisenhower today completely dominated the news by announcing his foreign policy and showing more initiative than any time since he took office in 1953. Why? The answer is simple: He has been in office for 16 months in one of the most peaceful periods in the history of the United States. He has been able to show the world that he is a man of peace, a man who is not afraid to stand up to the Soviets, a man who is not afraid to stand up to the Chinese, a man who is not afraid to stand up to the Russians.

Labor Measure Expected to Be Passed

By JOE HALLIC

WASHINGTON (AP)—A compromise labor regulation bill hammered out in 12 days of arduous Senate-House bargaining comes up in the Senate today for an expected near-unanimous passage.

The measure then will go to the House, which may send it on to President Eisenhower Friday. Eisenhower's approval is considered certain since the final product meets most of his specifications.

The compromise bill worked out Wednesday writes into federal law for the first time detailed controls over internal operations of unions on such points as finances, elections, trusteeships and rights of members.

But it also—and this is the part which caused the long and difficult conference—beefs up the Taft-Hartley law on such bitterly disputed points as secondary boycotts and organizational picketing.

In the end, the conferees accepted the basic pattern of the bill in the seventh and final title. A broader Landrum-Griffin House bill on the Taft-Hartley changes in the seventh and final title.

But Sen. John F. Kennedy (D-Mass) and the other Senate Democratic conferees succeeded in getting into the measure limitations on the new Taft-Hartley provisions aimed at protecting legitimate union rights.

The compromise won almost unanimous praise from Congress members on both sides of the dispute over the bill. But there were reservations by those most sympathetic to labor's position.

The bill was almost sure to be disappointing to labor. The AFL-CIO had criticized the measure in the form it passed the Senate, and strongly assailed the Landrum and Griffin version.

Secretary of Labor James P. Mitchell said he was "extremely pleased" with the bill and added: "No honest trade union or employer has cause to fear this legislation."

The final sessions of the conference produced a compromise on the key point holding up an agreement—construction site picketing.

Kennedy and his fellow Democratic conferees held out for a provision sought by the building trades unions exempting such picketing from the general ban on secondary boycotts in the bill. Such boycotts affect neutral employers in a labor dispute.

But they were forced to drop the

Commission Refuses Publisher's Claim

LITTLE ROCK (AP)—The Arkansas Claims Commission today refused to act on a claim by publisher John F. Wells of Little Rock that he is due \$9,000 for copies of his Daily Legislative Digest furnished to some Arkansas House members.

Effects of the action is to refer the matter to the next Legislature. The state contended legislators subscribed to the publication on their own initiative and should pay for them individually. The Commission may rule tomorrow on claims filed against the state for deaths in a fire at the Weightville Negro Boys Industrial school last March 5.

provision—which has Eisenhower's endorsement—when the House parliamentarian said he would rule it was subject to a point of order killing it in that body.

However, two sweeteners for the construction unions were inserted in its place. One would legalize widely used prehire agreements in this industry. The other would legalize agreements under which a general contractor pledged not to use any nonunion subcontractors on a job.

The conferees wrote in an exemption for the garment industry from the secondary boycott ban.

Nine to Die in State Labor Day

LITTLE ROCK (AP)—A State Police official predicted today

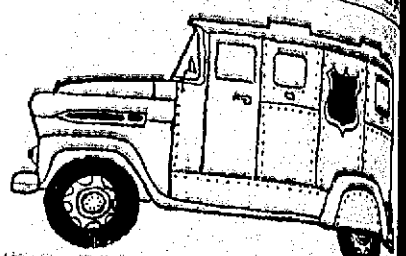

that nine persons will die in Arkansas traffic mishaps during the Labor Day weekend.

Capt. Jack Rhea, head of the State Police safety division, said the figure was based on an average of the number of traffic

deaths in three periods.

The National Bureau of Forecasts 450 traffic deaths during the entire country Labor Day holiday weekend, Friday to Sunday.
